**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We had been using a large internet provider that could not provide the services and speed we needed. A competitive market allowed us to pick better services at lower cost. In my opinion it is imperative to have a competitive telecommunication market. This will only improve the quality of life for the consumer of these services and will help diverse industries do what they do, better.
